GEMIO® is "A healthcare-based lifestyle brand", expertising in **ECO-rubber material**. We design shoes, bags and accessories using Eco 2 Surfaces™ rubber, using upcycling fabric & rubber to strengthen and be sustainable. We study and develop insoles with experts in **medical-shoes** as our slogan **"You move, we support"**. Since we've been experienced in the shoes field for over 50 years. We believe that our detailed insole and outsole design would make all people **comfortable, healthy and sparkling.**

1 piece pattern design, “seamless” to avoid feet sore, orthopedic insole for balance walking/ ECO rubber outsole
