

PCN MARKETTING & DISTRIBUTION CO.,LTD

WWW.PCNPETFOOD.CO.TH

WHO WE ARE ?

We are one of the leading exporters and manufacturers of fish food products in Thailand. We have run our business for more than 40 years by producing fish food and selling in local market and after success, we have started to export our product to many Asian countries such as Malaysia, Vietnam, Cambodia, and Sri Lanka.

For now, we have many brands of fish food products that are well-known among customers and fish farmers in Thailand. For example, Sakura , Deep , Boost, Omega , and White rose.

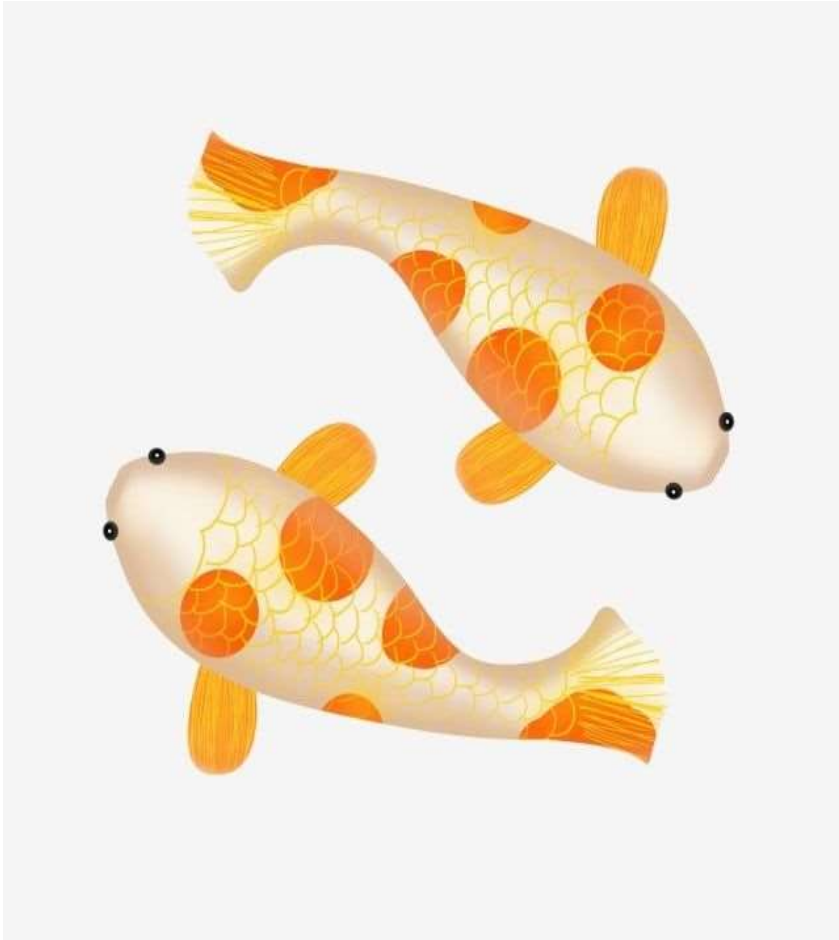

Apart from selling the products, we are also specializing in planning, marketing, and distributing. Currently, we are also distributing some product from aboard such as JBL, Seachem and JPD
